

Texas Advocacy Project provides training on healthy relationships, teen dating violence, online safety, and leadership skills through Teen Ambassadors of Hope. Teen Ambassadors earn service hours for volunteer endeavors and can highlight their efforts on college and scholarship applications, allowing them to stand out among their peers. Teen Ambassadors make an impact in their communities by promoting safe and healthy relationships while raising funds to support the free legal services provided by the Texas Advocacy Project to survivors of domestic abuse and sexual assault.

Goals for each Teen Ambassador of Hope:

- Champion the Mission and Services of Texas Advocacy Project
- Promote Awareness of Dating Violence and Healthy Relationships
- Raise a Minimum of \$500 for Texas Advocacy Project
