

2019 HOPE FOR THE HOLIDAYS GIFT DRIVE

Texas Advocacy Project is giving hope to 10 of our survivors' and their families this holiday season through our annual Hope for the Holidays gift drive. Each family has been nominated by a staff attorney to honor and support their transition from a home filled with violence to one of safety. Spread some cheer by shopping from the personal wish lists of each family!

All gifts must be received at The Project's office by Friday, December 6, 2019 where they'll be wrapped and shipped by Santa and his elves in time for the big day.

To view wish lists, learn how to provide a warm meal for a family, and make online donations visit www.texasadvocacyproject.org/holidays.

Donations by check may be mailed to Texas Advocacy Project, 1524 S IH-35, Box 19, Austin, TX 78704.

THANK YOU AND HAPPY GIFTING!

Sofia's Family

Sofia was a stay-at-home mom to eight children and married to a horribly abusive man for over 30 years. After years of physical abuse and sexual coercion, at the age of 59 years old with one child still in high school, Sofia took the very brave step of leaving. With TAP's help, she will be legally free of her abuser before the holidays. In her late fifties with no work history or education beyond high school, it has not been easy for Sofia to pay her bills and to support her son.

Madelyn's Family

Madelyn was married to her husband for 9 years. During that time, he was physically and emotionally abusive. In 2016 her husband brutally abused her in front of her daughter. The assault permanently damaged Madelyn's face, causing her to receive over 5 surgeries. Madelyn works as a Special Education Teachers Assistant but struggles to pay her bills and provide the basic needs of her family. Madelyn worked closely with her TAP attorney to obtain a divorce and is now able to begin the process of healing from her past trauma.

Julia's Family

Julia, the mother of five children, contacted Texas Advocacy Project to terminate the parental rights of her abusive ex-husband. He is currently serving a life sentence for the aggravated sexual assault of one of the children. However, during the course of the investigation, it was revealed that he had sexually assaulted **all** of her children, three of whom are disabled. Tessa's Family

Tessa was in a very violent and abusive relationship. One night her abuser threatened to maim Tessa and her son came in to help as she ran out to call 911. As she ran out of the house, he shot his stepson several times. Texas Advocacy Project helped Tessa and her family immediately obtain a life-saving protective order. He got an attorney and used the court system against her to take the children. She found Texas Advocacy Project and was provided an attorney for free.
